DSE Training Induction Programme

Tactical Security Options Ltd are responsible employers and we take our obligations to our staff very seriously. This is why we have set out this training induction process for all our employees to undertake who are classed as users of DSE.

We have covered the following areas in this DSE Awareness Training Induction:

- Understand the requirements of DSE regulations
- Identify workstation hazards
- Understand the assessment process and associated documentation
- Carry out workstation risk assessment in accordance with legislation.
- Advise employees and line supervision and management on required courses of Action
