

Environment

Policy V2 2024 PV02

'Tactical Security Options Ltd' Environment Policy publicly affirms our commitment to operating in an environmentally responsible manner. Emphasis is placed on continuously improving our performance, by reducing the environmental impact of our operations, and compliance with all relevant environment legislation.

In accordance with the above policy commitments, the company will:

Comply with the requirements of ISO14001:2015

Ensure our operations are safe for our employees, consumers, and the environment.

Reduce or prevent the environmental impact of our operations.

Meet or exceed the requirements of environmental laws and regulations.

Continually assess our environmental technology and programs and monitor progress toward environmental goals.

Ensure every employee understands and is responsible and accountable for incorporating environmental considerations in daily business activities.

Have operating policies, programs, and resources in place to implement our environment policy.
