

Business Compliance

Business Compliance

Policy V3 2024

Tactical Security Options Ltd are committed to a policy of compliance in a planned and controlled approach to the requirements of:

ISO 9001, ISO 14001, ISO 45001
BS 10800, BS 7960, BS 7858, BS 7499, BS 7984-3

Through a structured and controlled documented
'Business (Quality) Management System'.

For the purpose of;

**The Provision of Security Services
(Inc. Door Supervision and Security Guarding)**

By way of a controlled environment to ensure that;

- customers (and statutory and regulatory) requirements are complied with and consistently met;
- risks and opportunities that effect conformity and, opportunity to enhance, product/service are addressed;
- environmental issues are addressed.

To continually review and develop the 'Business (Quality) Management System and operational procedures to ensure that we as a company meet the needs and expectations of our customers and comply with all relevant legislation both current and future.
