

# Robbery Response Workshop

## Who is this course for?

The Robbery Response Workshop has been designed to introduce and meet the needs of people or employees who may unexpectedly encounter a robbery situation. And to make employees aware of their personal safety and security during and after a robbery situation.

The course has been designed to be of benefit to all sectors and roles but is of particular importance to:

- ❖ Employees who are routinely at risk of a robbery situation
- ❖ Security Personnel/Law Enforcement Officers
- ❖ Car Parking & Parking Attendants or Personnel/Lone Workers
- ❖ Cash in transit Operators
- ❖ Cash movers
- ❖ Transport staff such as bus, tram, tube and taxi drivers
- ❖ Customer Service Personnel/Front line and operational staff who deal or come in contact with cash or valuable items

## Course Goals

By the end of the session learners will be able to:

- ❖ Describe what emotions or feelings they may experience immediately prior, during and after a robbery
- ❖ Explain the personal safety issues around a robbery situation
- ❖ Explain the possible effects of stress and adrenaline response
- ❖ Demonstrate several simple techniques that are widely recommended to help you to control the stress response in a robbery
- ❖ Explain the importance of information gathering in safety during a robbery
- ❖ Explain and demonstrate the importance of describing an offender to the police
